Idea
Description
As a user, I want to easily browse to the programs offered, so that I can get to my desired page without confusion.

Idea
Needs discussion
Description
As a reader, I want to clearly see what newsletters to read, so that I can read the one I am most interested in.
Better visibility to tell you need to click on it. see hi-fi prototype

Book A Spot (Repair Cafe) > Select Service
Description
As a volunteer, I want to clearly see what times are still available, so that I can ensure I don't overlap with another volunteer
